

WEDDINGS @ ST. ANNE'S

ABOUT US

Our St Anne's family journey started in 1972 when the Myrning property was a sheep paddock and part of a much larger farm. From this blank canvas we have created vineyards, parklands, gardens, colonial bluestone buildings, lakes, 3 generations of family and so many memories.

We are wine producers and foodies. Our vineyards are situated across Victoria with full processing at the St Anne's Moama winery.

We love the process of making wine and creating beautiful dishes for you to enjoy.

We are passionate about our company ethos, our crew and the product and services we provide. We thrive on providing an exceptional experience to any patron of our product, yourselves, and your guests.

When you choose to have your reception at St Anne's, you will be guided and supported by our experienced wedding coordinator, Andrea Le Plastrier. Your special day is important to us and we are excited that you are considering joining our extended family.

At St Anne's we have a dedicated Chapel for you to use on your Special Day. This rustic old bluestone building, flanked by beautiful gardens, comfortably seats around 90 people.

The Chapel is heated and cooled, fitted with mood lighting, lined with wine barrels and oozes charm. There is a private parking area at the rear of the Chapel for the Bride to make her appearance.

We have several outdoor locations that are ideally suited and regularly used for wedding ceremonies. You can choose from our central paved courtyard, lakeside lawn under the Ash trees or somewhere on the farm....

It's your choice!

Should the weather be inclement on the day, we will have our Chapel ready for you to use as a back up plan.

For your ceremony you are welcome to use our on site inclusions, which our crew will set up for you:

- *White Chairs*
- *Red Carpets*
- *Wine Barrels*
- *Signing tables, Covered Chairs & linen*

This protected area is flanked by our 2 storey bluestone cellar door on one side and restaurant on the other.

The area is paved and offers expansive lawns with views across to the vineyard. The lawns are an ideal space for afternoon games for both big and small people.

The lower storey of our cellar door features our Barrel Hall which guests are welcome to enjoy.

The cellar door is also accessible by an inside staircase allowing guests to sample our extensive wine range, should they wish to do so. An upstairs balcony also offers a covered seating area and a great location to take group shots of your wedding party in the courtyard below.

OUR NEWEST IMPROVEMENT, FINISHED IN SPRING 2019.

This multi tiered, paved area offers panoramic views over our lake, across to the Wombat State Park and Mt Blackwood.

The upper tier is covered offering seated space for 200 people. Ornamental vines cover the top tier and bush roses line the tiers.

The Terrace adjoins the "Willows" room. Should the weather be unsavoury, we will have whichever room is not in use available for Pre-Dinner drinks.

We only run one wedding at a time, we are not a wedding factory, there is always one room not in use. This room will be casually set with wine barrels and stools and provision of a stage if a musician has been hired.

– No extra charge!

Wedding Photos? We have 300 acres of rolling hills, natural bushland, parklands, lakes, rustic buildings, barrel cellars.....We work with photographers who know these spaces well, just ask us for a referral. If you use your own photographer, we recommend they explore the options with a prior viewing.
